FOGDARP BICYCLE STAND

Anna Kraitz

Designed with enthusiasm as well as practicality, this cycle stand is deliberately streamlined to facilitate use. Sustainable design and environmentally-friendly. The sleekness and simplicity of Fogdarp uses less material than most cycle stands, making it greener to produce. Providing a reliable means of securing cycles makes it easier to park them and lessens the worry of theft.

Dimensions	Overall height: 89.9 cm Height of post: 65.7 cm
Product number	Ö04-20 Fogdarp cykelpollare.
Variants	S = Black A = Clear-lacquered matt aluminium
Materials	The bicycle stand is made from sand-cast aluminium in Noir 2200 Sablé. Curved Rilsan-treated steel pipe. Pipe in yellow Rilsan as standard.
Additional description number	S = Black A = Clear-lacquered matt aluminium
Character	Fogdarp's sleekness and simplicity makes it easy to use and sustainable to produce.

For 40 years, Nola Industrier has developed and honed ideas, products and visions for urban spaces. We collaborate with Sweden's leading designers and architects from concept to manufacture, with sustainable production taking place exclusively in Sweden. Nola stands for quality, aesthetic and sustainable design over time. We make urban environments a little bit more beautiful, and a whole lot easier to live in.
