

Sizes in cm

Material: Nordic pine PEFC™ wood or tropical wood FSC® certified.

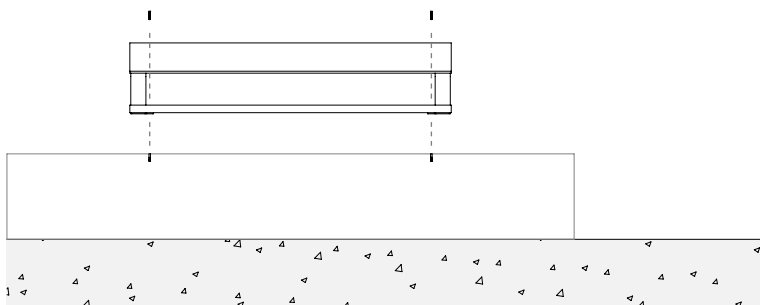

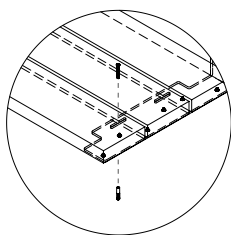

Weight: Ivy (32kg) / Ivy Backrest (56kg) / Ivy Backrest Armrest (60kg).

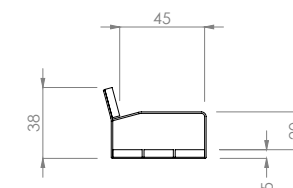

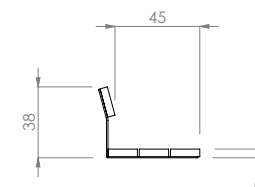

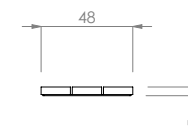

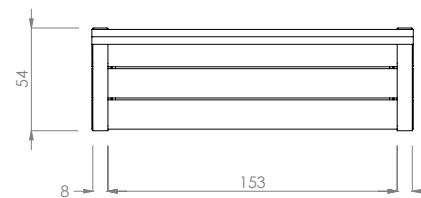

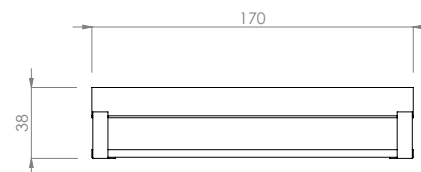

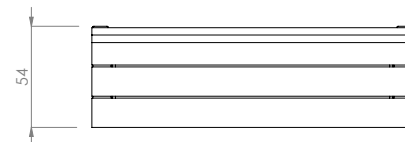

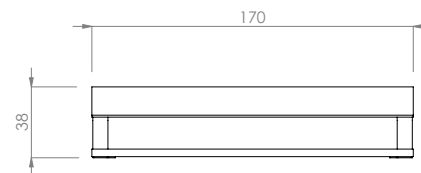

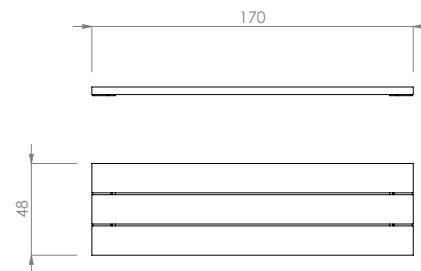

Placement system

Fixing with threaded screws into the wall.

Drill the existing wall using a hammer drill suitable for road surface or pavement. Insert the plug into the wall. Place the seat in its proper spot and finally fix the screw head through the wooden slats.
